Pilot Gift List

A printable list you can fill in and share with family or friends.

This is a blank list, for you to write down ideas. It is not a product review and it does not recommend shops, brands or prices. Aviatorfinds has not added any products to this sheet. If you include a shop or a link, check it yourself before anyone buys.

A personal list, not a recommendation

If someone else is buying from this list, remind them to check sizes, compatibility (for example headset jacks or aircraft types) and the seller's returns policy. This page contains no affiliate links.

Who is this for?

Name	Occasion	Needed by (date)

Useful notes to add: licence or training stage (student, qualified, drone flyer, airshow fan), clothing size, headset type already owned, or anything they already have and do not need again.

Gift ideas to fill in

#	Item or idea	Size / details	Where to look	Approx. budget (optional)

Experiences and lessons (optional)

If you would rather receive a lesson, a museum day or an airshow trip, write the details here so the person buying knows what to book and which official site to use.

Experience	Who / where	Official site or notes

Things I already have, or would rather not receive

Please don't buy...	Because

Sources and checking date

Facts in this download were checked against the official sources below on 15 November 2026. Rules, dates, fees and show arrangements can change. Always confirm on the official page before you rely on a figure or a date.

• No official facts are required for this blank list. No product names, prices or shop recommendations are included.

This list may be printed for personal use and filled in by hand. It is not a catalogue.
